Dear Student,

### National Qualification Certificates from MICT Seta

CTU Training Solutions are aware that you are still awaiting your National Qualification Certificate from the assigned Quality Assurance Partner (QAP)

We are however still awaiting certificates from the relevant QAP and apologize for the delay or any inconvenience caused. CTU is in constant contact with the relevant parties to follow up on the availability of these certificates and will keep all students informed of the progress. We will inform all students as soon as the certificates are available.

Thank you for your patience.
